

Brief instructions and summary

We are taking dominion of the atmosphere over Oklahoma. We are doing it through worship by using known frequencies and unknown frequencies, seen and unseen, known language and spirit language. (John 4:23-24, 16:13)

We will be asking God to shine His full frequency light on us, so we may have revelation and wisdom, so that the darkness will be exposed.
(John 1:1-10, 3:19-21, 8:12)

We are applying the blood of Jesus in the form of offering forgiveness to all peoples, places and things. To all molecules even in the air that carry sound or have evil memory. This removes Satan's legal right to attach to people, places or things - matter. (John 20:21-23, Matt 9:4-6)

Because we are in the army of God with the angels, if we do our part they can do their part. Our part is to be the voice of Holy Spirit, (who gets His orders from Jesus, who gets His orders from the will of Father God) by:

- Yielding to pray and sing in known language and in the spirit.
- Offering forgiveness, which removes the legal right for the enemy to remain.
- Now Jesus can release the angels to go and execute the orders.

Each day has a Mountain of Culture assigned to it, so the participate can pray both in known and spirit language for the leaders of that mountain, for all the people called to that mountain, all the people working in that mountain, and all matter that is associated with that mountain.

On each day a color frequency from the rainbow and a musical key frequency have been assigned. When all of these forms of worship come together the result is healing for certain areas of the human body/Body of Christ. (See handout on web site) Wear the color, worship with banners and flags of the color, spiritually apply that color to every area of Oklahoma; all the things on the land, under the land and in the atmosphere. Sing the music key all day in the spirit, with instruments or with the sample song in known language.

Specific teams will be taking this assignment to certain areas. But the idea is for all of us to work together in unity doing the same thing on the same day to cover all the air space and regions in Oklahoma by penetrating, cleansing, and occupying the atmosphere with the Culture of the Kingdom of Jesus Christ.

Chanukah starts on Wednesday December 1, 2010. Rabbi Curt Landry will be broadcasting a special program from House of David at 7 PM CT. This is the Feast of Lights and the Blessing of God's Supernatural Provision. www.houseofdauid.us
